

Christmas and Happy New Year 2015

Our clients in LRDE are Junk Collectors, Beggars, children who sell flower along the street, children who sell Shell along the road, children who sell sugar can, poor children and orphans without dependents. They have never had the chance to join or celebrate any important ceremony with friends or family because they have to work to feed the family or themselves. Every day along the street they never get warmth or love from the family. They usually see the other families celebrating parties, playing games, giving gift to their children but these children don't. They feel disappointed, but they hope that they will have a chance to celebrate this party happily. Our LRDE plans to prepare a small party for our street children, so they will be happy and proud of themselves. At least they have us as a family, sisters, and brothers.

❖ Program in the party on 25th December 2014

- At 6:00am to 12:00pm providing breakfast and lunch as daily meal.
- At 2:00pm to 3:40pm starting our games
- At 3:40pm to 4:40pm delivering gifts
- At 4:40pm to 5:00pm giving coke, apple and biscuit to children

❖ Expenditure planning for children

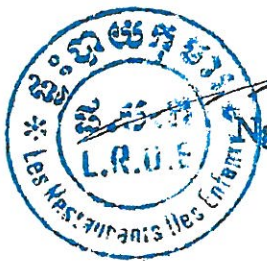

- Gift (doll, car, ball, tennis, puppet) 3 \$/1 kid
- Wrap the gift (coke, apple and biscuit) 1.5 \$/1 kid

We are appreciating donators who want to share some opportunity to make our street happy and smile. Your motivation and support is a great present to street children. We are going to send you the photo and a short video clip of Christmas Party and Happy New Year party to all of you.

Thank You
